

BUNDY BLURP!

CARPOOL LANE

Please be aware that the driveway entrance/exit at the East gate is a carpool lane as well as the roadway around the Jail. When picking up and dropping off your children, please do not park and leave your vehicle as you will be blocking traffic. Please be sensitive to the needs of other parents who are on a time schedule. In front of the gate is also a fire lane - please do not park!

If you need to speak with a teacher or your child is not present when you arrive, please drive down to the parking area located at the Preschool or park along Oak Circle Drive.

Please drive slowly and safely while on campus!

Thank you so much for your cooperation!

BCCS Staff
