Dear Parents:

According to the California Privacy Act, schools are not permitted to release names, addresses and/or telephone numbers to any group or organization requesting such information except for the news media without the consent of the parent.

Occasionally, we will be calling on parents for help with class parties, field trips and fund-raising activities. A volunteer parent or other person in charge may need to contact you for help. In addition, at various times parents call to get phone numbers or addresses of their child's classmates for parties and/or other special occasions.

_____ Yes, you may release my child's information. My phone is: _____.
_____ No, I do not want my child's name, address or phone number released.

In addition, we would also like your permission to use your child's photo and/or first name only for use on our Website, Facebook Page, Annual Yearbook and/or for advertising purposes. Please sign below letting us know your preference regarding the use of your child's first name and photo.

_____ Yes, you may use my child's first name and/or photo.
_____ No, you may not use my child's first name or photo.
